hallo leute,
ich habe zum ersten mal bei qhi proscar bestellt,
nachdem ich die bestellung abgeschickt habe, wurde ich darauf hingewiesen:

First Order

If you have already placed an order with us in the past by fax or post, you may place an online order now. We will send you an Indemnity & Disclaimer form (specific to online ordering) to sign but this will not delay the processing or shipping of your order. The new signed Indemnity & Disclaimer form will only be required once, it will NOT be required with each new online order.

If you are a new customer and are placing your first online order, you will receive an Indemnity & Disclaimer form in the post. Alternatively, you may print out the Terms, Conditions and Disclaimer Form. This must be signed and returned to us by fax or post. We cannot process your order until we have received the signed form.

You may return the form to us by fax or post. Please DO NOT return this form via a scanned email attachment!!

The company that processes our credit card orders requires that your first order must be accompanied by a signature that has not been generated by a computer. Once we have the signed Indemnity & Disclaimer form returned to us and have processed your first order, you will be assigned a customer number and will be able to place all future orders online without delay.

We will hold your new order for 1 month. If the Indemnity & Disclaimer form is not returned within this time your order will be cancelled.

QHI welcomes you as a new customer and looks forward to a long and healthy relationship.

Thank you for your order.
Be Well
QHI
