Indpharma is not replying at all since past week. I have been sourcing Fincar and Veltride from them from 2014. Is there any alternative website where I can reliably place an order for these medicines?

<https://www.qhi.co.uk/>

Might not the cheapest vendor but therefore its proper secure to place your order on qhi.

thx for the help sadly they don't have all the medications i need,so another source would be more than appreciated.

looking for the most common meds sold by indpharma,thx in advance

Which supplies do you need, exactly?

There are a lot of valid Pages which ship from the US. But I wouldnt recommend them due customs problems.

Do you life in Germany?

yes i live in germany.and i know i got stress exactly with the problem from a purchase at a US store.

I need lorazepam and zopiclone.

you also speak german?
